How smart?

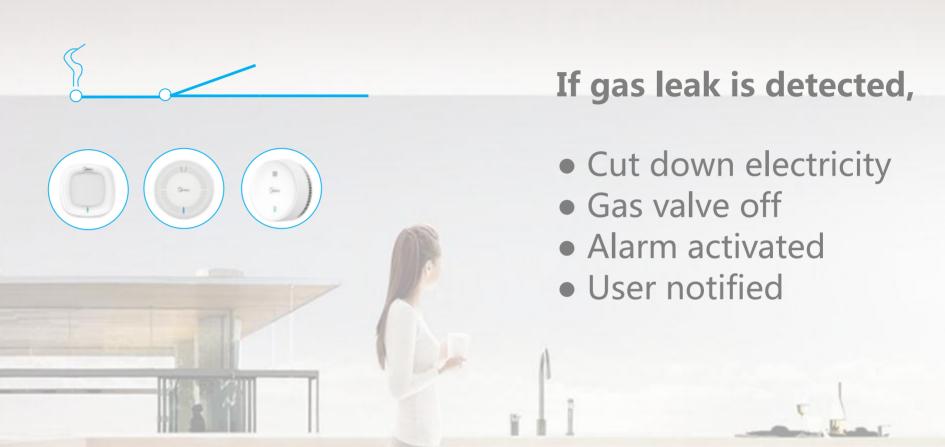

Safety Solution

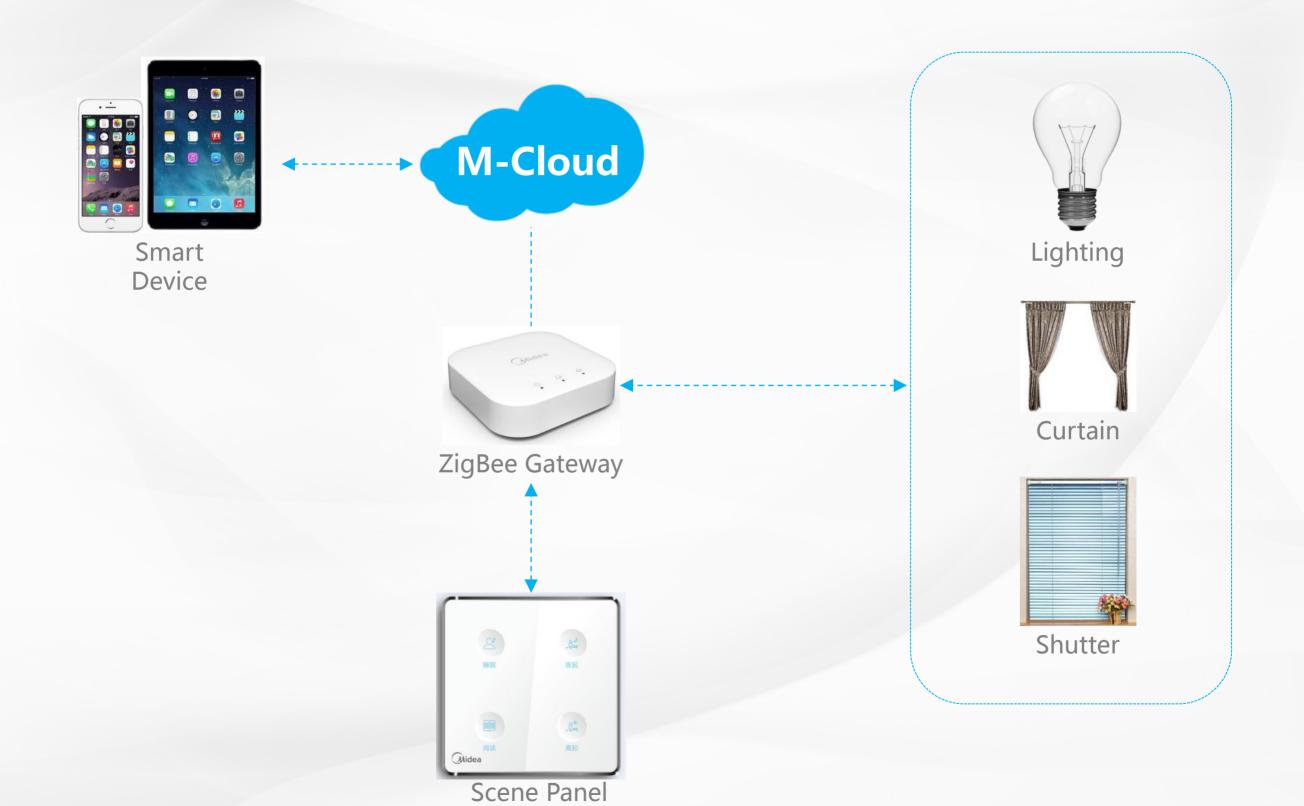

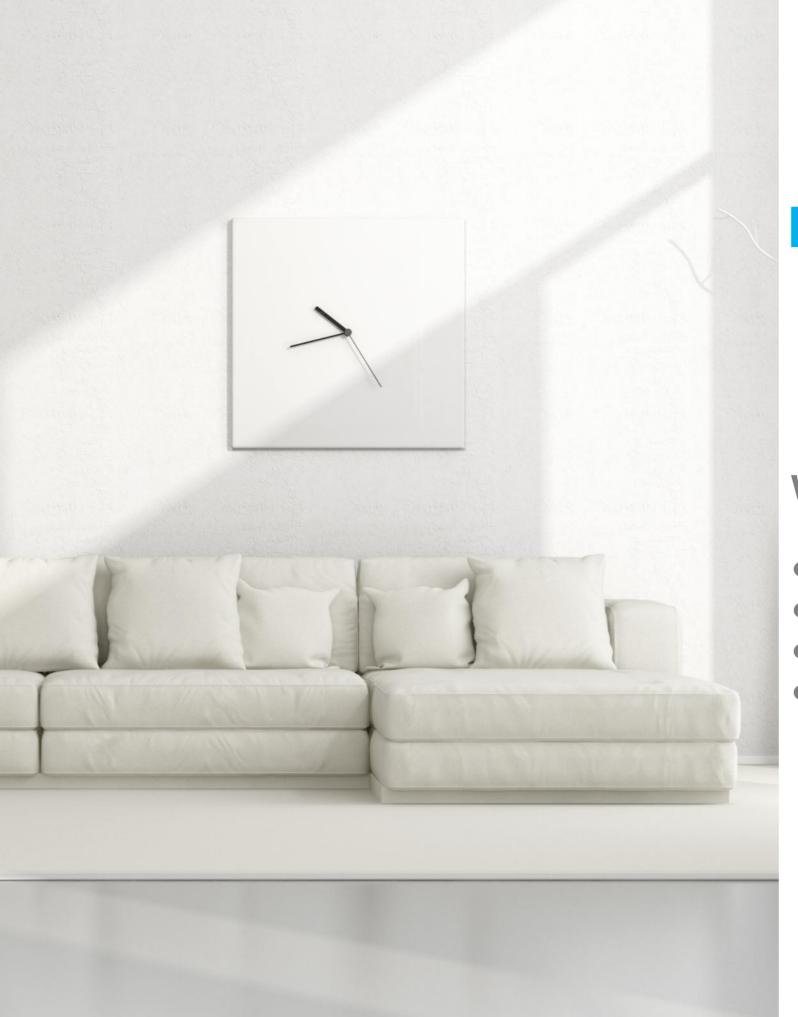

Scene Control

Return home

When door is opened,

- Light on
- Air purifier on
- AC in operation
- Curtain opening

Leave home

Press "Leave" on panel,

- Window/Curtain closed
- AC/fan/TV turned off
- Light off
- Camera/Motion sensor on
- Smoke/Gas sensor activated
- Safety system in operation

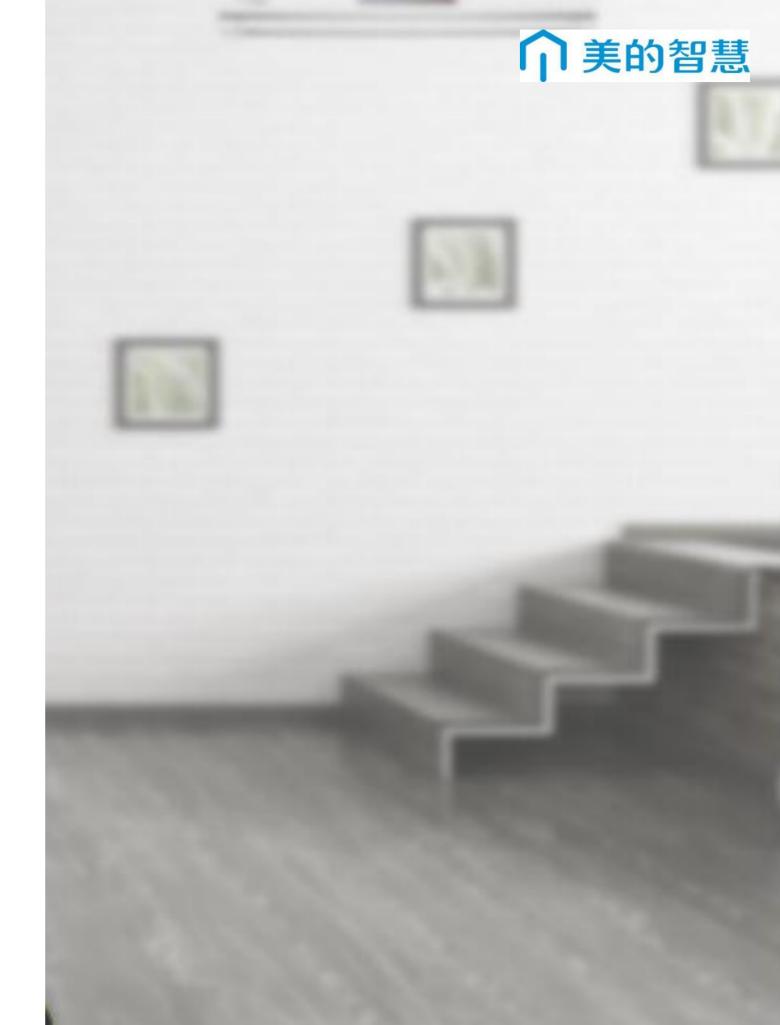

M-Cloud

- TCP/HTTP/MQTT/AMQP
- User defined application protocols

User can connect and control from WeChat

- Fast upgrade
- Third-party service as plug-in
